

# TODAY (G)

Dan Macaulay

**G**                    **D/G**        **C/G**  
Lord You are beautiful

**Em**                    **G/D**                    **C**  
Your love for me has never changed

**G**                    **D/G**                    **C/G**  
You carry me through it all

**Em**                    **G/D**                    **C**  
And order my steps from day to day

**Am7**                    **G/B**                    **C**  
And all of the plans You have for me are good    I'll follow where You lead

**Am7**                    **G/B**                    **C**                    **Dsus D**  
And I will stay close to You    Yesterday is through    and the best is yet to be

**G**                    **D/F#**    **Em**                    **G/D**  
To-day I will listen    To-day I will hear Your voice

**C**                    **G/B**        **Am7**                    **Dsus D**  
To-day I will take the time to know You even more

**G**                    **D/F#**    **Em**                    **G/D**  
To-day I will praise You    To-day I will seek Your face

**C**                    **G/B**        **Am7**                    **D**  
To-day I will worship till Your presence fills this place

**C**        **Em**    **D**                    **G**                    **G/B**  
And this is my prayer for to-morrow    Lord I want my heart to be

**C**        **Em**    **D**                    **Dsus D**  
Searching for where You are leading    and always thirsty!
