

Artist Profile

Dan Macaulay

Full Name: Daniel Raymond Macaulay

Nickname: "MacGyver"

Birthday: October 17

Birthplace: Burlington, Ontario, Canada

I'm a Canuck!

Family: My beautiful wife of 8 years, Danielle, and our awesome 8.5 month old little guy, Keaton

Who would you trade lives with for a day?

Michael W. Smith – I think he's the man, and I'd say he's influenced me a lot.

What book are you reading now? An interesting

book about changing the prevailing culture and atmosphere around us called "Power Shifters" by Michael Pitts.

What CD is playing in your car right now?

Today is *The Day* by Lincoln Brewster – Great CD!

What is the best thing about being an artist?

Getting to do what you love. Not a lot of people can say that. I don't take that for granted because it's really a blessing!

What is the worst thing about being an artist?

The waiting.

Biggest career embarrassment: Singing on live

national television with a bright green tongue from a candy my grandma had just given me as she came to see me in the studio!

Most memorable career concert: Anytime I get

to go where people already know my songs and they jump right in and worship along.

What is your favorite hometown hangout? Home.

What is something you want others to know

about you? I'd rather be known more for being a lead-worshipper than an "artist."

Who has been the most influential person in

your career? My wife. She keeps me grounded and encourages me when I feel like giving up. I Could NOT do this without her!

How did you get into the music industry? I

grew up leading worship in my youth group and writing songs, and I never really stopped. God just kept expanding my sphere of influence, and He still is.

Favorite song: "The Motions" by Mathew West

Favorite vacation spot: Where do I WANT to go someday?? The Atlantis Resort in Nassau, Bahamas

Favorite food: Chinese. PF Changs.

Favorite drink: Diet Coke

Guilty pleasure: Ice cream – various flavors like

cookie dough and chocolate peanut butter...

Worst fear: Sharks—absolutely terrified to death

of them. Guess I never got over "Jaws."

What was your very first job? I worked in a video

store called "That's Entertainment."

What is the number one thing you hope

people get out of your music? I hope people are inspired to open up their hearts to God—that my music can help build a bridge for that purpose.
